

Professional hand sweeper

FlooBe

FlooBe

Practical and time-saving

Time is money. The FlooBe helps you save both. The lightweight machine on four rollers reaches places other cleaning machines can't reach. It makes FlooBe the perfect addition for all cleaning professionals. The cable-free small sweeper is indispensable for occasional and maintenance cleaning of small hard surface areas and carpeting. The machine is battery-operated and can run independently for up to two hours. Put FlooBe in the charging station, plug it in and it's ready to serve you again in 8 hours. The on/off switch is easy to operate by foot.

Plus points at a glance:

- Lightweight (1.7 kg)
- No cables
- Battery-operated with charging station
- Picks up animal hairs perfectly
- Cleans confined areas with ease
- Adjustable telescopic tube
- Removable shield makes it easy to clean skirting boards
- Handle and dust collector with antibacterial coating
